

Kevin Kinnevy

A Trenton native and the youngest of four brothers, Kevin Kinnevy showed a passion for soccer at an early age. From the fields of Mercer County where he made his mark to the collective memory of those who will always remember Kevin as a quality player and even better person, we salute Kevin Kinnevy and induct him into the Mercer County Soccer Hall of Fame.

Like his brothers before him, Kevin became a standout player at an early age, excelling for the GAK Gold side that were the winners of a state championship during his time playing for the Kickers. He continued to show his prowess for the always formidable St. Anthony's High School teams of the late 70's and early 80's. A four year varsity player, Kevin received All-County and All-State honors for three consecutive years for the Iron Mikes, where he was also a standout on the baseball diamond.

Moving down Interstate 95, Kevin matriculated at the University of Pennsylvania, where he was a four year starter for the Quakers. After leading the team in scoring as a junior, he was elected co-captain in his senior year, garnering All-Ivy honors in his final year. Kevin continued to play after college, returning to GAK as well as playing for the Over-50 powerhouse Trenton Power side.

In 2013, in recognition of his contributions on and off the field, he was recognized as one of the "50 Golden Iron Mikes" by Trenton Catholic Academy, sharing this honor with his brothers Dennis and Tim. He also became an accomplished marathoner.

An avid NY Yankee and Tottenham Hotspur supporter, Kevin was a musician, scholar, and father to Mackenzie and Erin. He enjoyed a good game of quoits here at the Hibernian Club and prided himself on being physically fit.

Sadly, Kevin unexpectedly passed away in 2014, but not without leaving his family and friends with many happy memories. Kevin's legacy on the field is undiminished and we salute his spirit tonight as we induct Kevin Kinnevy in to the Mercer County Soccer Hall of Fame.
